

1 Calcula el área total de cada uno de los siguientes cuerpos (utiliza  $\pi = 3,14$  y, si es necesario, redondea a las centésimas):

a)

$A = \square \text{ cm}^2$

b)

$A = \square \text{ cm}^2$

c)

$A = \square \text{ cm}^2$

d)

$A = \square \text{ m}^2$

e)

$A = \square \text{ cm}^2$

f)

$A = \square \text{ m}^2$
